January 19, 2012

**Oak Ridge, Tenn., Jan. 19, 2012** – URS | CH2M Oak Ridge LLC (UCOR) has issued notice of intent to award staff augmentation subcontracts to 10 companies in four general categories – Administrative and Professional services; Technical services; Engineering and Support services and Waste Management and Transportation services. They are as follows:

**StrataG Staffing Services** – Administrative and Professional services, Technical services, Engineering and Support services

**Navarro Research and Engineering, Inc.** – Administrative and Professional services, Technical services, Engineering and Support services

**Spectra Tech Inc.** – Administrative and Professional services

**Value Added Solutions** -- Administrative and Professional services, Engineering and Support services

**Transportation, Operations and Professional Services** – Technical services, Engineering and Support services

**Technical & Field Engineering Inc.** – Engineering and Support services, Waste Management and Transportation services

**Edgewater Technical Associates** -- Waste Management and Transportation services

**Denuke Contracting Services Inc.** -- Waste Management and Transportation services

**SA Mays LLC** -- Waste Management and Transportation services

**Strategic Resource Alliance LLC** -- Waste Management and Transportation services

The subcontracts have a period of performance up to five years assuming all options are exercised. The combined total estimated not-to-exceed value of these 10 subcontracts is \$45M.

UCOR is the Department of Energy's Environmental Management contractor at the Oak Ridge Reservation. The company is responsible for deactivation and demolition of the K-25 facility at

ETTP, as well as other specific scopes of work at ETTP, the Y-12 National Security Site, and the Oak Ridge National Laboratory.
