2018 ANNUAL BENEFITS ENROLLMENT

Each year during our Annual Benefits Enrollment period, you have the opportunity to review your health plan choices, consider your needs, and choose coverage for the next year. The information you and your family members need in order to make informed decisions regarding your 2018 Annual Benefits Enrollment is available in this guide and online at www.ucor.com/benefitsRMP.html. Through this site, you may also submit questions and view responses to Frequently Asked Questions (FAQ) related to your 2018 ETTP benefits.

WHAT'S NEW FOR 2018?

PENSION DEDUCTIONS

- *Beginning in 2018, you will no longer have deductions taken from your pension payment for Medical, Dental, Vision, and Life Insurance monthly premium payments.*
- As of January 1, 2018, you will be personally responsible for making benefit premium payments directly to Discovery Benefits either by check or by establishing automatic account withdrawals from your checking or savings account. Discovery Benefits will communicate further instructions for arranging new benefit monthly contribution payments.
- Effective January 1, 2018, Discovery Benefits will replace Conexis (Wage Works) as the benefit administrator for retirees.

MEDICAL AND PRESCRIPTION DRUG COVERAGE

- The monthly premium rates for the ETTP Medical Plan are **lower** in 2018 than in 2017.
- Some additional **in-network** Behavioral Health services will now be covered at 100%, with no deductible or copay. These changes do not apply to medical benefits. Please contact Aetna with questions regarding Behavioral Health services.
- Out-of-network prescription drug benefits will be covered at the out-of-network coinsurance level, after the deductible and subject to any copay.
- Effective January 1, 2018, the ETTP Health and Welfare Benefit Plan will no longer offer Adult Child (age 26-28) medical coverage unless the child is disabled. Please visit www.healthcare.gov for alternative coverage options.

OTHER BENEFITS

To ensure we offer you the best coverage, service, and pricing, UCOR conducted a thorough review of all of the ETTP health and welfare benefit plans. As a result, for 2018 we will be changing carriers for the Dental and Life Insurance Plans. The plan provisions will remain the same. Rates for these benefits will be lower than in 2017.

- Dental Carrier – Cigna
- Life Carrier – Securian

ENROLLMENT ACTION

If you want to keep the same benefits you have now, you are not required to take action during the 2018 Annual Enrollment period. **If you take no action, you will be automatically re-enrolled in the same benefits you had in 2017 with the new carriers at the new 2018 premium rates.** However, enrollment action is required if you want to change your benefit coverage or coverage levels for 2018.

The benefit election choices you make for January 1, 2018, will remain in place for the entire plan year unless you experience a qualifying life event such as marriage, divorce, birth, the adoption of a child, etc.

2018 Annual Enrollment Dates: November 13 – 22, 2017

MEDICAL PLANS

Your medical plan for the 2018 plan year is the same PPO Plan that you were offered in 2017. **Monthly contributions for this plan will decrease for 2018.** Remember, your costs for medical care through the PPO Plan will be lower if you use an in-network provider. This plan includes the Aetna Premier Plus 4-Tier Drug Formulary. For details on which medications are covered, please go to www.ucor.com/benefitsRMP.html.

VISION PLAN

There are no changes to the vision plan design. **Monthly contributions will remain the same for 2018.** The 2018 monthly contributions are on page 4.

However, **Cigna will replace MetLife as the DPPO dental plan carrier**, and **dental plan monthly contributions will decrease for 2018.** During enrollment, you will not be required to make a dental plan election unless you are requesting a change.

This year, it is important to check whether your dental providers are in our new Cigna network. You may use any dentist, but you will generally pay less for in-network providers. To view dental providers in the Cigna network go to www.mycigna.com.

To view your applicable dental plan summaries, please visit www.ucor.com/benefitsRMP.html. The 2018 monthly contributions are on page 4.
