PORTSMOUTH MISSION ALLIANCE USW RETIREE (PRE-65)

2021 ANNUAL BENEFITS ENROLLMENT

Each year during our Annual Benefits Enrollment period, you have the opportunity to review your health and welfare benefit choices, consider your needs, and choose benefits coverage for the next year. The information you and your family members need to make informed decisions about your 2021 Annual Benefits Enrollment is available in this guide and online at www.ucor.com/benefitsRMP.html. Through this site, you may also submit questions and view responses to Frequently Asked Questions (FAQs) related to your 2021 benefits.

2021 Annual Benefits Enrollment Dates: October 26 – November 6, 2020

You can enroll by telephone at **(888) 890-5631** or online at www.hrbenefitsadvantage.com. Enrollment instructions and a statement of your current benefit coverages will be provided to you in advance of the 2021 enrollment period.

ENROLLMENT ACTION

If you want to keep the same benefits you have now, you are not required to take action during the 2021 Annual Benefits Enrollment period. If you don't take action, you will automatically be re-enrolled in the same medical, dental, vision and life benefits you had in 2020, at the 2021 premium rates.

However, enrollment action is required if you want to change your benefit coverage or coverage levels for 2021. The benefit election choices you make for January 1, 2021, will remain in place for the entire plan year unless you experience a qualifying life event such as a marriage, divorce, birth or adoption of a child, etc.

MAKING CHANGES DURING THE YEAR

Typically, the elections you make during Annual Enrollment will stay in effect until December 31, 2021. However, in certain circumstances, you may be able to make changes to your benefits during the year. If you experience a qualified life event, such as a marriage, divorce, or birth or adoption of a child, you can make benefit changes directly related to that life event. You must initiate your qualified life event change within 31 days of the qualifying event by calling Mercer Single Source 1™ (SS1) at **(888) 890-5631**.

WHAT'S NEW FOR 2021?

MEDICAL PLANS

An eligible retiree must be enrolled in ETPP medical coverage in order for an eligible spouse to enroll in Pre- or Post-65 Retiree medical coverage (this does not apply to a surviving spouse). **There will be an increase to your monthly PPO premiums for 2021.** Your medical plan for the 2021 plan year is the same PPO Plan that you were offered for 2020. Remember, your costs for medical care through the PPO Plan will be lower if you use an in-network provider. This plan includes the Aetna Premier Plus 4-Tier Drug Formulary. For details on which medications are covered, please go to www.ucor.com/benefitsRMP.html. The 2021 monthly premiums are on page 4.

VISION PLAN

2021 vision benefits will remain unchanged. **Monthly premiums will remain the same for 2021.** For your 2021 coverage, no enrollment action is needed if you want to keep the same vision benefits you have now. The 2021 monthly premiums are on page 4. Please visit www.ucor.com/benefitsRMP.html for additional benefits information.

DENTAL PLAN

There are no changes to the dental plan design for 2021, and **dental plan monthly premiums will remain the same for 2021.** For your 2021 coverage, no enrollment action is needed if you want to keep the same dental benefits you have now. The 2021 monthly premiums are on page 4.

As a reminder, it is important to check whether your dental providers are in the Cigna network. You may use any dentist, but you will generally pay less for in-network providers. To view dental providers in the Cigna network, go to www.mycigna.com. To view your applicable dental plan summaries, visit www.ucor.com/benefitsRMP.html.

LIFE INSURANCE

Life insurance for 2021 will continue to be offered through Securian. **There are no changes to the life insurance provisions for 2021.** If you have elected the reduced paid-up life benefit, you do not pay a premium. The 2021 monthly premiums are shown on page 4.

Don't forget that you have access to the following resources to help save money on your healthcare expenses.

Health Advocate: Get free, personalized assistance to help you navigate the health care system, from understanding claims to choosing providers and negotiating fees. See page 5 for information sources.

Teladoc: If you're enrolled in ETPP Health and Welfare medical benefits, you can access virtual support from board-certified doctors through Teladoc, the telehealth provider in partnership with Aetna. With Teladoc, you'll be able to speak to a doctor by phone or video 24/7, for a diagnosis of minor, short-term issues such as a fever or the flu. Teladoc provides adult and pediatric general medical care, and the physicians can prescribe short-term medication for a wide range of conditions when medically appropriate. You pay only your doctor visit copay (or deductible) for Teladoc consults. See page 5 for Teladoc information sources.

MinuteClinic: If you're enrolled in UCOR Health and Welfare medical benefits, you can access in-person non-emergency care at a MinuteClinic, available inside select CVS Pharmacy and Target stores – walk-in or by appointment. You can get treatment for a variety of illnesses, injuries or conditions or even receive a prescription (if appropriate). MinuteClinics are open seven days a week (including evenings and weekends), and you can pick up your prescriptions on-site.
