

# BRYAN KENDRICK

## Chief Financial Officer

Bryan Kendrick is UCOR's Chief Financial Officer, overseeing Finance and Accounting. He has 8 years of experience with Amentum and its predecessor companies as UCOR's controller.

Bryan began his career at Oak Ridge National Laboratory, where he served in various accounting and budget management positions. In addition to serving as Director of Accounting and Director of Business Analysis, he was also the Chief Financial Officer of UT-Battelle Development LLC, Chairman of the Oak Ridge National Laboratory Benefits and Investment Committee, and Deputy Chief Financial Officer for Oak Ridge National Laboratory.

He received a Bachelor of Business Administration in Accounting from Lipscomb University, Nashville, Tennessee.
