

2018 UCOR Pollution Prevention and Waste Minimization Recognition

2018 UCOR Pollution Prevention & Waste Minimization Recognition Strategic Partnerships for Sustainability

Presented to

ETTP D&D/EU-29/K-1407-C
Retention Basin Soil Removal
and Restoration Team

For

Choosing a low maintenance,
specialized seed mixture to restore
the former K-1407-C Retention
Basin at the EU-29 site resulting in
enhanced natural habitat and
reduced life cycle S&M costs.

Caroline Barber, UCOR Pollution
Prevention Coordinator

Clint T. Wolfley
Clint Wolfley, ESH&QA Manager

2018 UCOR Pollution Prevention & Waste Minimization Recognition Waste Reduction and Pollution Prevention

Presented to

ORNL Operations &
Cleanup Enterprise

For

Diverting a contaminated
manipulator from Building 3028
to UT-Battelle saving \$75,000.

Caroline S. Barber
Caroline Barber, UCOR Pollution
Prevention Coordinator

Clint T. Wolfley
Clint Wolfley, ESH&QA Manager

2018 UCOR Pollution Prevention & Waste Minimization Recognition Sustainability Champion

Presented to

Steve Nolan

For

Identifying an opportunity to
divert SWSA 5 road upgrade
soils from landfill disposal to
use as beneficial fill material
at SWSA 7, saving \$3,000.
