

2022 Annual Benefits Enrollment Guide

UCOR ELIGIBLE ATLC ORNL/USW EMPLOYEES (ACTIVE AND LTD*)

2022 ANNUAL BENEFITS ENROLLMENT

Each year during our Annual Benefits Enrollment period, you have the opportunity to review your Health and Welfare benefit choices, consider your needs, and choose benefits coverage for the next year. The information you and your family members need to make informed decisions about your 2022 Annual Benefits Enrollment is available in this guide and online at www.ucor.com/benefitsRMP.html. Through this site, you may also submit questions and view responses to Frequently Asked Questions (FAQs) related to your 2022 benefits.

***NOTE:** If you are on LTD you are no longer considered an active employee, but you are still eligible for certain benefits as described in this guide.

2022 Annual Benefits Enrollment Dates: October 25 – November 5, 2021

You can enroll by telephone at **(888) 890-5631** or online at www.hrbenefitsadvantage.com. Enrollment instructions are included in your packet with this guide. A statement of your current benefit coverages was provided to you in advance of the 2022 enrollment period.

ENROLLMENT ACTION

If you want to keep the same benefits you have now, you are not required to take action during the 2022 Annual Benefits Enrollment period. If you don't take action, you will automatically be re-enrolled in the same medical, dental, vision, life, and long-term disability benefits you had in 2021, at the 2022 premium rates.

However, enrollment action is required if you want to:

- Change your benefit coverage or coverage levels for 2022, and/or
- Contribute to a Flexible Spending Account (Health Care FSA or Dependent Care FSA) in 2022

The benefit election choices you make for January 1, 2022 will remain in place for the entire plan year unless you experience a qualifying life event such as a marriage, divorce, birth or adoption of a child, etc.

MAKING CHANGES DURING THE YEAR

Typically, the elections you make during Annual Enrollment will stay in effect until December 31, 2022. However, in certain circumstances, you may be able to make changes to your benefits during the year. If you experience a qualified life event, such as a marriage, divorce, or birth or adoption of a child, you can make benefit changes directly related to that life event. You must initiate your qualified life event change within 31 days of the qualifying event by calling Mercer Single Source 1™ (SS1) at **(888) 890-5631**.

? WHAT'S NEW FOR 2022?

MEDICAL PLANS

You have two medical plan options for 2022.

1. **The PPO Plan:** This is the same medical plan that you were offered in 2021. ***There will be no increases to your monthly PPO premiums for 2022.*** Remember, your costs for medical care through the PPO Plan will be lower if you use an in-network provider. This plan includes the Aetna Premier Plus 4-Tier Drug Formulary. For details on which medications are covered, please go to www.ucor.com/benefitsRMP.html.
2. **The Consumer Directed Health Plan (CDHP):** This is the same medical plan that you were offered in 2021. ***Your monthly CDHP premiums will not increase for 2022.*** This plan meets all the qualifications for an affordable medical plan under the Affordable Care Act. A CDHP has a higher deductible than the PPO Plan, but also has lower premium rates. Like the PPO Plan, there's also a cap on how much you pay in a given year, called the out-of-pocket maximum. If you select the CDHP, you may be eligible to participate in an individual Health Savings Account, or HSA, through your bank. An HSA can be used to pay for eligible medical expenses—with tax-free dollars. This medical plan includes the Aetna Value Plus Drug Formulary. *This formulary is different from the Aetna Premier Plus 4-Tier Drug Formulary, which is available through the PPO Plan. Before electing the CDHP, please go to www.ucor.com/benefitsRMP.html to review prescription drug coverage under the Value Plus Formulary.*

Note: Prescription Drug Formularies are updated regularly by our medical plan carrier. Be sure to review the Formularies regularly. Changes to the Formularies during the plan year may impact your Prescription Drug Coverage.

The 2022 monthly premiums are on page 6.

Don't forget that you have access to the following resources to help save money on your healthcare expenses.

Health Advocate: Get free, personalized assistance to help you navigate the healthcare system, from understanding claims to choosing providers and negotiating fees. See page 7 for information sources.

Teladoc: If you're enrolled in UCOR Health and Welfare medical benefits, you can access virtual support from board-certified doctors through Teladoc, the telehealth provider in partnership with Aetna. With Teladoc, you'll be able to speak to a doctor by phone or video 24/7, for a diagnosis of minor, short-term issues such as a fever or the flu. Teladoc provides adult and pediatric general medical care, and the physicians can prescribe short-term medication for a wide range of conditions when medically appropriate. You pay only your doctor visit copay (or deductible) for Teladoc consults. See page 7 for Teladoc information sources.

MinuteClinic: If you're enrolled in UCOR Health and Welfare medical benefits, you can access in-person non-emergency care at a MinuteClinic, available inside select CVS Pharmacy and Target stores – walk-in or by appointment. You can get treatment for a variety of illnesses, injuries or conditions or even receive a prescription (if appropriate). MinuteClinics are open seven days a week (including evenings and weekends), and you can pick up your prescriptions on-site.

SAVINGS AND SPENDING ACCOUNTS

Health Savings Account (HSA)

If you enroll in the high-deductible medical plan (CDHP), you may be eligible for an individual Health Savings Account (HSA), which is a savings account for qualified medical expenses. With an HSA, you can deposit, grow, save, and pay for qualified expenses today, while saving for future qualified expenses, tax-free. This means account holders get triple tax savings. You may contribute **up to \$3,650** per calendar year for yourself and **up to \$7,300** for family coverage. The HSA can be set up with any qualified trustee or custodian such as a bank, credit union, insurance company, or other financial institution. **This money is yours, even if you leave the company.** You can use the money in your HSA to pay for any eligible medical, dental, and vision care expenses you have, including expenses that count toward your annual deductible and coinsurance.

Note: An HSA is available only to employees enrolled in an IRS-qualified high-deductible health plan, like the CDHP. If you are enrolled in the PPO Plan or Medicare, you are not eligible for an HSA. For more details on HSA requirements, visit www.irs.gov.

Flexible Spending Accounts (FSAs) – REQUIRES RE-ENROLLMENT FOR 2022

UCOR offers eligible employees the opportunity to enroll in both Health Care and Dependent Care Flexible Spending Accounts (FSAs). You must re-enroll for the Health Care FSA and/or Dependent Care FSA during the 2022 Annual Benefits Enrollment to participate in the 2022 FSAs.

- **A Health Care Flexible Spending Account (HCFSA)** allows you to be reimbursed for medical, dental and vision expenses for yourself or any IRS-eligible dependents. These contributions are deducted from your paycheck on a pre-tax basis. The full amount of your election is available for you to use immediately, even before you've contributed all the dollars. Withdrawals from the account are tax-free as long as they are used for eligible expenses. Refer to IRS Publication 502 or contact PayFlex for a full list of qualifying expenses. Employees may contribute **up to \$2,750** per calendar year to an HCFSA. UCOR will continue to use the PayFlex HCFSA Debit Card in 2022.
- **A Dependent Care Flexible Spending Account (DCFSA)** is a pre-tax payroll deduction which allows you to be reimbursed for eligible expenses (tax-free) for the care of one or more qualifying IRS dependents that enables you (and a spouse, if applicable) to work or look for work. Eligible employees may contribute **up to \$5,000** per calendar year (household maximum) into a DCFSA.

HCFSA contributions are limited for highly compensated employees (HCE). HCEs are not eligible to participate in the DCFSA. For 2022 DCFSA participation purposes, the 2021 HCE gross earnings threshold is \$130,000. This rule does not apply to employees with gross earnings below the threshold.

See the flyer in your enrollment packet to learn more about FSAs! For more details or questions, call PayFlex at (888-678-8242) or visit www.ucor.com/benefitsRMP.html.
