Any changes made in these privacy practices will be effective for all health information that is maintained including information created or received before the changes were made. All members will be notified of any changes by receiving a new notice of privacy practices.

The UCOR Plan may use and disclose certain health information called "protected health information" or "PHI" in accordance with HIPAA and as generally described in this Notice. While this information may not be protected under HIPAA, other privacy laws and company policies will apply to ensure confidentiality.

The Benefits and Investments Committee, which serves as the Plan Administrator, and UCOR's Benefits Department who assist with the administration of the UCOR Plan have access to certain health information about you. This information is generally limited to: (1) whether you are enrolled in the UCOR Plan or are eligible; (2) the family members whom you cover under the UCOR Plan; (3) the amount which you contribute for your health care coverage, and (4) information about certain claims, claim denials, and appeals. Third parties (known as "business associates") and certain insurance companies assist the UCOR Plan in administering your health benefits. These entities keep most of the health information maintained by the UCOR Plan, such as information about your health condition, the health care services you receive, and the payments for such services. They use this information to process your benefit claims and perform other administrative functions on behalf of the UCOR Plan. The business associates are required by contract with the UCOR Plan to abide by HIPAA and only use and disclose PHI in accordance with the law.

Authorizations

You may provide written authorization to use your health information or to disclose it to anyone for any purpose. You may revoke this authorization in writing at any time, but this

revocation will not affect any use or disclosure permitted by your authorization while it was in effect. Unless you give written authorization, we cannot use or disclose your health information for any reason except those described in this notice. You may not, however, cancel your authorization if it was obtained as a condition for obtaining insurance coverage and if your cancellation will interfere with the insurer's right to contest your claims for benefits under this insurance policy. The UCOR Plan may condition your enrollment or eligibility for benefits on your signing an authorization, but only if the authorization is limited to disclosing information necessary for underwriting or risk rating determinations needed for the UCOR Plan to obtain insurance coverage.

In some circumstances, we may assume that your immediate family member who is involved in your health care has your permission to receive protected health information regarding your health care, payment for, or claims regarding your health care. When we deem it in your best interest, we may thus disclose protected health information to your immediate family member for purposes directly related to his or her involvement in your health care. If you do not wish us to disclose any information to your immediate family member, you should notify the Privacy Official at (865) 576-9206 and submit a Request for Restriction on Disclosure of Protected Health Information.

The UCOR Plan may deny your request if the health information you seek to amend is complete and accurate, if it was not created by the UCOR Plan or for certain other reasons. If your request is denied, the UCOR Plan will provide a written explanation of the denial. You may respond with a statement of disagreement to be appended to the information you wanted amended. If the UCOR Plan accepts your request to amend the information, the

UCOR Plan will make reasonable efforts to inform others, including the people you name, of the amendment and to include the changes in any future disclosures of that information.

This accounting will list each disclosure that was made of your health information for any reason other than treatment, payment, health care operations and certain other specified activities (for example disclosed to you or pursuant to your authorization). If you request an accounting more than once in a 12-month period, there may be a reasonable cost-based charge for responding to these additional requests. For a more detailed explanation of the fee structure, please use the information at the end of this Notice to contact our office.

Right to Request Restrictions. You have the right to request certain restrictions on the UCOR Plan's uses or disclosures of your health information. Any request for restrictions on the use and disclosure of your health information must be in writing. The UCOR Plan is not bound unless the restriction is agreed to in writing.

You have the right to request confidential communications about your health information by alternative means or alternative locations. You must inform the UCOR Plan that you are requesting confidential communication to avoid endangerment to yourself. You must make your request in writing and you must state that the information could endanger you if it is not communicated by the alternative means or to the alternative location requested. The UCOR Plan will make every effort to accommodate the request if it is reasonable, specifies the alternative means or location, and continues to permit us to collect premiums and pay claims under your health plan.

Right to Notice of a Breach. If there is a breach of your unsecured protected health information that may have compromised the privacy or security of your PHI as defined by law, the UCOR Plan or its business associates will notify you in accordance with federal and state requirements.
