2025 Annual Benefits Enrollment Guide

2025 ANNUAL BENEFITS ENROLLMENT

SALARIED RETIREE (POST-AGE 65)

This packet includes the required legal notices for the 2025 ORRCC Health and Welfare Benefit Plan, under which you have retiree life insurance. You will continue to purchase your Post-Age 65 retiree health benefits through the ORRCC UnitedHealthcare (UHC) exchange. For questions or information, contact UHC at **1-866-868-0605**.

In 2025, the Retiree Reimbursement Account stipend amount will increase to \$232 per month (or \$2,784 annually).

An eligible retiree must be enrolled in ORRCC medical coverage in order for an eligible spouse to enroll in Post-Age 65 Retiree medical coverage (this does not apply to a surviving spouse).

LIFE INSURANCE

At age 65, your Retiree Basic Life Insurance coverage (if applicable) was reduced and that coverage will remain in effect for your lifetime at no cost to you. ***There are no changes to the life insurance provisions for 2025.***

If you have reduced paid-up Life Insurance, you will receive a confirmation statement from Empyrean in mid-December confirming your amount on file.

IMPORTANT SPOUSE ELIGIBILITY INFORMATION

The spouse of an eligible Post-Age 65 retiree is not eligible to receive benefits under the ORRCC Retiree Medical Benefit Plan (Retiree Plan) in the form of a Post-Age 65 Retiree Reimbursement Account (RRA) unless:

- the spouse is age 65 or older,
- the spouse is enrolled in Medicare Parts A and B,
- the spouse is enrolled in the ORRCC Retiree Healthcare Exchange Program.

Important Disclosures

This summary information provides an overview of some of the main features of the benefit plans for eligible employees but does not reflect all of the benefits, exclusions, and limitations of the plans. For all of the plan rules, details, and coverage provisions, the terms of the plans are governed by the Plan Documents and insurance contracts. Should there be any inconsistencies between the Plan Documents and this summary information, the Plan Documents and insurance contracts will prevail. The Company reserves the right to amend or terminate any of the plans, in whole or in part, at any time.

Important Notice to Participants About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage under the medical benefit options sponsored by the Oak Ridge Reservation Cleanup Contract Retiree Medical Benefit Plan (the “Plan”) and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are three important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
 2. United Cleanup Oak Ridge LLC (UCOR) has determined that the Retiree Reimbursement Account offered by the Plan should not be used in lieu of a creditable prescription drug plan. The Retiree Reimbursement Account alone (without taking into consideration any individual medical coverage you are enrolled in) is not expected to pay out as much as standard Medicare prescription drug coverage pays. Therefore, using your Retiree Reimbursement Account for prescription drugs by itself is not considered Creditable Coverage. (Note this notice does not apply to any individual medical coverage that you may enroll in under the exchange.) This is important because, most likely, you will get more help with your drug coverage if you join a Medicare drug plan than if you only depend on your Retiree Reimbursement Account to cover your prescription drug needs. This is also important because it may mean that you pay a higher premium (a penalty) if you do not join a Medicare drug plan when you first become eligible.
 3. You can use the funds in your Retiree Reimbursement Account to cover your prescription drug needs but, due to a limited amount of funds in your Retiree Reimbursement Account, your coverage under the Retiree Reimbursement Account (without taking into consideration any individual medical coverage you are enrolled in) is non-creditable. This means you have decisions to make about Medicare prescription drug coverage that may affect how much you pay for that coverage, depending on if and when you join a drug plan. When you make your decision, you should compare your current coverage, including what drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area. This notice explains your options.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from Oct. 15 to Dec. 7. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you are an active employee (or covered dependent of an active employee) who is entitled to Medicare:

- You should compare your current coverage under the Retiree Reimbursement Accounts in the Oak Ridge Reservation Cleanup Contract Retiree Medical Benefit Plan, including which drugs are covered, with the Medicare drug plans in your area.

You may choose to enroll in a Medicare drug plan independent of your Retiree Reimbursement Account under the Oak Ridge Reservation Cleanup Contract Retiree Medical Benefit Plan.

If you are a retiree (or covered dependent of a retiree) who is entitled to Medicare, your coverage under the Retiree Reimbursement Account in the Oak Ridge Reservation Cleanup Contract Retiree Medical Benefit Plan is not intended to supplement your Medicare coverage. You should check to see whether your current coverage with an individual health policy through the exchange already includes a Medicare drug plan. If your current policy coverage does not include a Medicare drug plan, you should consider joining a Medicare drug plan.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current medical coverage with the Plans and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

Authorizations

You may provide written authorization to use your health information or to disclose it to anyone for any purpose. You may revoke this authorization in writing at any time, but this revocation will not affect any use or disclosure permitted by your authorization while it was in effect. Unless you give written authorization, we cannot use or disclose your health information for any reason except those described in this notice. You may not, however, cancel your authorization if it was obtained as a condition for obtaining insurance coverage and if your cancellation will interfere with the insurer's right to contest your claims for benefits under this insurance policy. The ORRCC Plan may condition your enrollment or eligibility for benefits on your signing an authorization, but only if the authorization is limited to disclosing information necessary for underwriting or risk rating determinations needed for the ORRCC Plan to obtain insurance coverage.

In some circumstances, we may assume that your immediate family member who is involved in your health care has your permission to receive protected health information regarding your health care, payment for, or claims regarding your health care. When we deem it in your best interest, we may thus disclose protected health information to your immediate family member for purposes directly related to his or her involvement in your health care. If you do not wish us to disclose any information to your immediate family member, you should notify the Privacy Official at (865) 576-9206 and submit a Request for Restriction on Disclosure of Protected Health Information.

The ORRCC Plan will not perform any marketing of other products or sell your health information without your authorization.

You have the right to request either paper or electronic format. We are permitted to assess a reasonable cost-based charge for such request. If you have questions about the fee, you may use the information at the end of this Notice to contact us. We will provide you with an estimate of the cost if you want prior to fulfilling the request. In general, the ORRCC Plan maintains limited health information on you and your covered dependents. Amendment Right. You have the right to request that the ORRCC Plan amend your health information. Your request must be in writing and it must explain why the information should be amended. The ORRCC Plan may deny your request if the health information you seek to amend is complete and accurate, if it was not created by the ORRCC Plan or for certain other

reasons. If your request is denied, the ORRCC Plan will provide a written explanation of the denial. You may respond with a statement of disagreement to be appended to the information you wanted amended. If the ORRCC Plan accepts your request to amend the information, the ORRCC Plan will make reasonable efforts to inform others, including the people you name, of the amendment and to include the changes in any future disclosures of that information.

Right of Accounting of Disclosures. You have the right to receive an accounting of the disclosures of your health information by the ORRCC Plan. This accounting will list each disclosure that was made of your health information for any reason other than treatment, payment, health care operations and certain other specified activities (for example disclosed to you or pursuant to your authorization). If you request an accounting more than once in a 12-month period, there may be a reasonable cost-based charge for responding to these additional requests. For a more detailed explanation of the fee structure, please use the information at the end of this Notice to contact our office.

Right to Request Restrictions. You have the right to request certain restrictions on the ORRCC Plan's uses or disclosures of your health information. The ORRCC Plan is not required to agree to all requests, but if a restriction is agreed to, the ORRCC Plan will honor the agreement, except in the case of an emergency. Any request for restrictions on the use and disclosure of your health information must be in writing. The ORRCC Plan is not bound unless the restriction is agreed to in writing.

You have the right to request confidential communications about your health information by alternative means or alternative locations. You must inform the ORRCC Plan that you are requesting confidential communication to avoid endangerment to yourself. You must make your request in writing and you must state that the information could endanger you if it is not communicated by the alternative means or to the alternative location requested. The ORRCC Plan will make every effort to accommodate the request if it is reasonable, specifies the alternative means or location, and continues to permit us to collect premiums and pay claims under your health plan.

Right to Notice of a Breach. If there is a breach of your unsecured protected health information that may have compromised the privacy or security of your PHI as defined by law, the ORRCC Plan or its business associates will notify you in accordance with federal and state requirements.

You have the right to request and receive this Notice in paper at any time, even if you have previously received this Notice or have agreed to receive the Notice electronically. To obtain a paper copy, please contact the Privacy Official at the address below.
