2025 ANNUAL BENEFITS ENROLLMENT

FOUR RIVERS SALARIED AND USW RETIREE (PRE-AGE 65) – RETIRED PRIOR TO JANUARY 1, 2020

Each year during our Annual Benefits Enrollment period, you have the opportunity to review your Health and Welfare benefit choices, consider your needs, and choose benefits coverage for the next year. The information you and your family members need to make informed decisions about your 2025 Annual Benefits Enrollment is available in this guide and online at **https://ucor.com/benefits-center/**.

2025 Annual Benefits Enrollment Dates:
October 28 – November 8, 2024

You can enroll at **MyGroupBenefits-UCOR-ORRCC.com** or call the UCOR-ORRCC Benefits Service Center **1-800-451-8964.**

Be sure to read the enrollment instructions included with this guide. A statement of your current benefit coverages was provided to you in advance of the 2025 enrollment period.

ENROLLMENT ACTION

Important! For 2025, our medical plans are moving from Aetna to Blue Cross Blue Shield of Tennessee (BCBST).

If you are an eligible salaried, grandfathered bargaining unit or non-grandfathered bargaining unit employee (retired prior to January 1, 2020) and want to keep the same benefits you have now, you are not required to take action during the 2025 Annual Benefits Enrollment period. If you do not take action, you will be automatically enrolled in the medical plan you have today with coverage through BCBST at the 2025 premium rates. Your dental, vision, and life insurance benefits will remain the same.

However, enrollment action is required if you want to change your life benefit coverage or coverage levels for 2025. The benefit election choices you make for January 1, 2025 will remain in place for the entire plan year unless you experience a qualifying life event such as a marriage, divorce, birth or adoption of a child, etc.

MAKING CHANGES DURING THE YEAR

Typically, the elections you make during Annual Enrollment will stay in effect until December 31, 2025. However, in certain circumstances, you may be able to make changes to your benefits during the year. If you experience a qualified life event, such as a marriage, divorce, or birth or adoption of a child, you can make benefit changes directly related to that life event. You must initiate your qualified life event change within 31 days of the qualifying event.

To initiate a qualifying life event change, visit Empyrean at **MyGroupBenefits-UCOR-ORRCC.com** or call the UCOR-ORRCC Benefits Service Center **1-800-451-8964** from 8:00 AM to 5:00 PM EST, Monday through Friday.

WHAT'S NEW FOR 2025?

MEDICAL PLAN

New Medical and Prescription Drug Plan Administrator: Beginning January 1, 2025, your medical plan will be administered by Blue Cross Blue Shield of Tennessee (BCBST). BCBST offers a suite of programs to support your well-being. See pages 5-6 for more information. The plan's pharmacy formulary will also transition to the BCBST Preferred Formulary. Beginning on January 1, 2025, you can call BCBST member services at 800-565-9140.

All eligible retirees must be enrolled in ORRCC medical coverage in order for an eligible spouse to enroll in Pre- or Post-Age 65 Retiree medical coverage (this does not apply to a surviving spouse).

For 2025, in the PPO Plan:

- If you receive in- or out-of-network non-emergency care in an emergency room, BCBST will cover the care at the same cost – you will pay a $200 copay.
- If you receive non-urgent care at an urgent care center, you will pay a $75 copay in-network and 40% coinsurance after your deductible out-of-network. *Please note: Billing for walk-in clinics will be paid based on how the provider bills and the provider you see (e.g., PCP office visit, urgent care).*

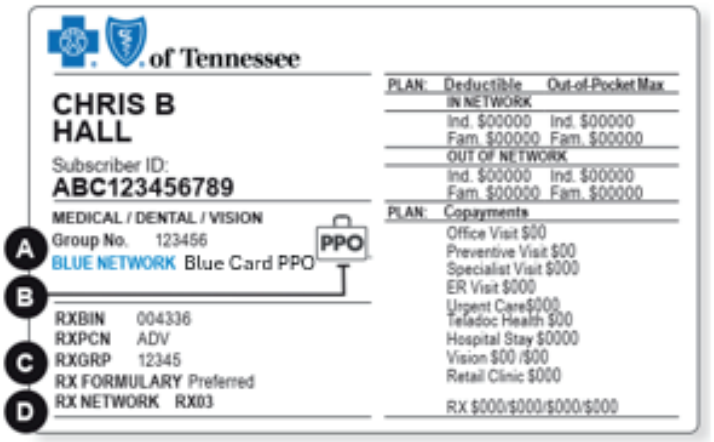
There will be a decrease to your monthly PPO premiums for 2025.

Remember, your costs for medical care through the PPO Plan will be lower if you use an in-network provider. This plan includes the BCBST Preferred Formulary. For details on which medications are covered, please go to **https://ucor.com/benefits-center**.

New ID Cards! You will receive new ID cards from BCBST. Your name, all your dependents' names (they will not receive separate cards), and specific information pertaining to your selected plan will be included on your card. You will also be able to access a digital ID card on the BCBST app or website.

Here's how to read to information on your ID card:

- **A:** This is your provider network.
- **B:** If your card has the suitcase image, your plan covers you throughout the US and many countries.
- **C:** This is your Rx formulary, or the list of drugs your plan covers.
- **D:** This is the pharmacy network available in your plan.



Beginning January 1, 2025, you can visit the App Store or Google Play to download the BCBST app for free. You'll need to register using your **www.bcbst.com** username and password. From there, you can see and share your Member ID card with a single tap. *Please note: The BCBST website and app will use the same username and password credentials – no need to register twice!*

Find an In-Network Provider: Most providers currently in-network with Aetna with continue to be in-network with Blue Cross Blue Shield of Tennessee (BCBST). **To confirm that your current providers participate in the BCBST network,** visit **www.bcbst.com**, click “Find Care” and select the “Blue Card PPO Network” as the network option. After January 1, 2025, you can also access this information via the BCBST app.

Provider Exclusions: ***Certain providers may be excluded from ORRCC’s coverage under BCBST***. It is important to confirm that your preferred physicians are in-network, and that your prescription drugs are covered by the new BCBST formulary before you seek care, in order to avoid unexpected costs.

Transition of Care: In the event that your Aetna-participating provider is not in the BCBST network, you may be able to continue your care if you are undergoing treatment for certain medical conditions, such as cancer or pregnancy, at the in-network benefit level for a set period of time, determined by your condition. You and your provider will need to complete a Member Services In-Network Benefit Request form, available at **www.bcbst.com/use-insurance/documents-forms**. *If this applies to you and/or your dependent(s),* ***you must proactively reach out to BCBST*** *to minimize any disruptions to your care*.

The 2025 monthly premiums are on page 7.

In this plan, your costs for medical care will be lower if you use an in-network provider. Our medical plans also include a cap on how much you pay in a given year, called the out-of-pocket maximum.

Oak Ridge Reservation Cleanup Contract Health and Welfare Benefit Plan and Oak Ridge Reservation Cleanup Contract Retiree Medical Benefit Plan 2025 Annual Benefits Enrollment

Notice of Special Enrollment Rights

If you are eligible but decline to enroll in the medical benefit program under the Oak Ridge Reservation Cleanup Contract Health and Welfare Benefit Plan (the "Plan") for yourself or your dependents (including your spouse), under certain circumstances you may be able to enroll yourself or your dependents without waiting for the next open enrollment period. You or a dependent may be eligible for this special enrollment opportunity if you lose other medical coverage, gain a new dependent, lose coverage under certain public health programs, or become eligible for a state's premium assistance program. This notice outlines the conditions you or your dependents must meet in order to be eligible.

Loss of other coverage. If you or your dependents decline to enroll in the Plan's medical benefit program because you have other medical coverage and you/your dependents later lose that other coverage, you may be able to enroll yourself or your dependents in the medical benefit program without waiting for the next open enrollment period, provided that you request enrollment within 31 days after your other coverage ends. Your loss of other medical coverage qualifies for special enrollment treatment only if both of the following apply:

- You/your dependents were covered under another group health care plan or health insurance coverage at the later of the time you could have enrolled during open enrollment or, if later, at the time you were first eligible for coverage under this plan.
- You/your dependents lost the other coverage because you/they exhausted your/their right to COBRA continuation coverage, you/they were no longer eligible under that plan, or an employer's contributions for coverage terminated.

New dependents. If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents, provided that you request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

Public health plan eligibility and premium assistance. Will also allow a special enrollment opportunity if you or your eligible dependents either:

- Lose Medicaid or Children's Health Insurance Program (CHIP) coverage because you are no longer eligible, or
- Become eligible for a state's premium assistance program under Medicaid or CHIP.

You will have 60 days – instead of 31 – from the date of the Medicaid/CHIP eligibility change to request enrollment in the Plan's medical benefit program.

Note that the 60-day enrollment period doesn't apply to enrollment opportunities other than a Medicaid/CHIP eligibility change.

Enrollment. Special enrollments *must* be made by completing a new enrollment form *within 31 days* of the date you/your dependents lost coverage or you acquired a new dependent, or *within 60 days* of a Medicaid/CHIP eligibility change. If you do not submit completed enrollment forms within the required 31 or 60 days of the event, you and your dependents will lose special enrollment rights for that event.

Oak Ridge Reservation Cleanup Contract Health and Welfare Benefit Plan and Oak Ridge Reservation Cleanup Contract Retiree Medical Benefit Plan

2025 Annual Benefits Enrollment

Important Notice to Participants about Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage under the medical benefit options sponsored by the Oak Ridge Reservation Cleanup Contract Health and Welfare Benefit Plan and the Oak Ridge Reservation Cleanup Contract Retiree Medical Benefit Plan (the "Plans") and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. United Cleanup Oak Ridge LLC (UCOR) has determined that the prescription drug coverage under the group medical benefit options offered by the Plans for all eligible active employees is, on average, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

Oak Ridge Reservation Cleanup Contract Health and Welfare Benefit Plan and Oak Ridge Reservation Cleanup Contract Retiree Medical Benefit Plan

2025 Annual Benefits Enrollment

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from Oct. 15 to Dec. 7. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you are an active employee (or covered dependent of an active employee) who is entitled to Medicare:

- You should compare your current coverage under your Plan, including which drugs are covered, with the Medicare drug plans in your area.

- You may choose to enroll in a Medicare drug plan without impacting your prescription drug coverage under the Oak Ridge Reservation Cleanup Contract Health and Welfare Benefit Plan. Note, however, that Medicare drug plan will pay secondary (if at all) to the Plan. Therefore you may be paying a premium for coverage under the Medicare drug plan that you do not need.

- If you do decide to join a Medicare drug plan and drop the Plan prescription drug coverage that you may have, you and your dependents will be able to get the coverage back at a later date (such as by election during the next following annual enrollment) if you remain an active employee.

- Remember, also, that the Plan's prescription drug coverage is a part of the medical coverage under the Plan. If you drop prescription drug coverage under the Plan, you will also be dropping your medical coverage (and the medical and prescription drug coverage of your dependents, if any) under the Plan.

If you are a retiree (or covered dependent of a retiree) who is entitled to Medicare, your coverage under the Oak Ridge Reservation Cleanup Contract Retiree Medical Benefit Plan is intended to supplement your Medicare coverage. You should check to see whether your current Plan coverage already includes a Medicare drug plan. If your current Plan coverage does not include a Medicare drug plan, you can join a Medicare drug plan without impacting your current Plan coverage.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current medical coverage with the Plans and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

You may also receive it before the next period you can join a Medicare drug plan, and if the coverage through the Plans changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage…
More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans. For more information about Medicare prescription drug coverage:

- Visit http://www.medicare.gov/default.aspx
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit **www.healthcare.gov**.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or **www.insurekidsnow.gov** to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at **www.askebsa.dol.gov** or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2024. Contact your State for more information on eligibility.

United Cleanup Oak Ridge LLC ("UCOR") understands that health information about you is personal. This Notice covers the health information practices of the Oak Ridge Reservation Cleanup Contract (ORRCC) Health & Welfare Benefit Plan (the "ORRCC Plan"). The ORRCC Plan has formed an organized health care arrangement to efficiently run the ORRCC Plan and administer the benefits. Under the Health Insurance Portability and Accountability Act ("HIPAA"), the ORRCC Plan is required to guard the privacy of certain personal information of members. The ORRCC Plan is also considered a "hybrid entity," which means that only certain parts of the ORRCC Plan have health care components covered by HIPAA and others are not. This Notice of Privacy Practices ("Notice") is intended to inform you, in a summary fashion, of your rights under the privacy provisions of HIPAA and the HIPAA obligations imposed on the ORRCC Plan. We are required by law to abide by the terms of this Notice.

Any changes made in these privacy practices will be effective for all health information that is maintained including information created or received before the changes were made. All members will be notified of any changes by receiving a new notice of privacy practices.

The ORRCC Plan may use and disclose certain health information called "protected health information" or "PHI" in accordance with HIPAA and as generally described in this Notice. Health information that UCOR receives about you as an employer is not PHI. Thus, your leave of absence records, Family and Medical Leave Act ("FMLA") leave information, drug testing results, workers' compensation files, disability and Occupational Safety and Health Act ("OSHA") records are not PHI and are not covered by this Notice. While this information may not be protected under HIPAA, other privacy laws and company policies will apply to ensure confidentiality.

The Benefits and Investments Committee, which serves as the Plan Administrator, and UCOR's Benefits Department who assist with the administration of the ORRCC Plan have access to certain health information about you. This information is generally limited to: (1) whether you are enrolled in the ORRCC Plan or are eligible; (2) the family members whom you cover under the ORRCC Plan; (3) the amount which you contribute for your health care coverage, and (4) information about certain claims, claim denials, and appeals. Third parties (known as "business associates") and certain insurance companies assist the ORRCC Plan in administering your health benefits. These entities keep most of the health information maintained by the ORRCC Plan, such as information about your health condition, the health care services you receive, and the payments for such services. They use this information to process your benefit claims and perform other administrative functions on behalf of the ORRCC Plan. The business associates are required by contract with the ORRCC Plan to abide by HIPAA and only use and disclose PHI in accordance with the law.

You may request another copy of this Notice at any time by contacting the Privacy Official at (865) 576-9206.

For example, the ORRCC Plan may hire a third party administrator to review and process claims, an auditor to review such processing or an agent or broker to assist in assessing coverage options for the ORRCC Plan.

PHI may be disclosed when necessary to assist law enforcement officials to capture an individual who has admitted to participation in a crime or has escaped from lawful custody.

Military Authorities: PHI of Armed Forces personnel and veterans may be disclosed to Military authorities and the Veterans Administration under certain circumstances. PHI may also be disclosed to authorized federal officials as required for lawful intelligence, counterintelligence, and other national security activities.

Authorizations

You may provide written authorization to use your health information or to disclose it to anyone for any purpose. You may revoke this authorization in writing at any time, but this revocation will not affect any use or disclosure permitted by your authorization while it was in effect. Unless you give written authorization, we cannot use or disclose your health information for any reason except those described in this notice. You may not, however, cancel your authorization if it was obtained as a condition for obtaining insurance coverage and if your cancellation will interfere with the insurer's right to contest your claims for benefits under this insurance policy. The ORRCC Plan may condition your enrollment or eligibility for benefits on your signing an authorization, but only if the authorization is limited to disclosing information necessary for underwriting or risk rating determinations needed for the ORRCC Plan to obtain insurance coverage.

In some circumstances, we may assume that your immediate family member who is involved in your health care has your permission to receive protected health information regarding your health care, payment for, or claims regarding your health care. When we deem it in your best interest, we may thus disclose protected health information to your immediate family member for purposes directly related to his or her involvement in your health care. If you do not wish us to disclose any information to your immediate family member, you should notify the Privacy Official at (865) 576-9206 and submit a Request for Restriction on Disclosure of Protected Health Information.

The ORRCC Plan will not perform any marketing of other products or sell your health information without your authorization.

A designated record set refers to a group of records that includes enrollment, payment, claims adjudication and care or health management record systems maintained by or for the ORRCC Plan. You have the right to request either paper or electronic format. We are permitted to assess a reasonable cost-based charge for such request. If you have questions about the fee, you may use the information at the end of this Notice to contact us. We will provide you with an estimate of the cost if you want prior to fulfilling the request. In general, the ORRCC Plan maintains limited health information on you and your covered dependents. Our business associates that administer or insure our group health care plan generally have more health information.

You must make your request to obtain access to your designated record set in writing. You may obtain the form to request access by using the contact information at the end of this Notice or you may send us a letter to the address located at the end of this Notice requesting access.

Additionally, under certain limited circumstances, your request to inspect or obtain a copy of your health information may be denied. If we deny your request, we will notify you in writing and may provide you the option to have the denial reviewed.

Amendment Right. You have the right to request that the ORRCC Plan amend your health information. Your request must be in writing and it must explain why the information should be amended. The ORRCC Plan may deny your request if the health information you seek to amend is complete and accurate, if it was not created by the ORRCC Plan or for certain other

reasons. If your request is denied, the ORRCC Plan will provide a written explanation of the denial. You may respond with a statement of disagreement to be appended to the information you wanted amended. If the ORRCC Plan accepts your request to amend the information, the ORRCC Plan will make reasonable efforts to inform others, including the people you name, of the amendment and to include the changes in any future disclosures of that information.

Right of Accounting of Disclosures. You have the right to receive an accounting of the disclosures of your health information by the ORRCC Plan. This accounting will list each disclosure that was made of your health information for any reason other than treatment, payment, health care operations and certain other specified activities (for example disclosed to you or pursuant to your authorization). If you request an accounting more than once in a 12-month period, there may be a reasonable cost-based charge for responding to these additional requests. For a more detailed explanation of the fee structure, please use the information at the end of this Notice to contact our office.

Right to Request Restrictions. You have the right to request certain restrictions on the ORRCC Plan's uses or disclosures of your health information. The ORRCC Plan is not required to agree to all requests, but if a restriction is agreed to, the ORRCC Plan will honor the agreement, except in the case of an emergency. Any request for restrictions on the use and disclosure of your health information must be in writing. The ORRCC Plan is not bound unless the restriction is agreed to in writing.

You have the right to request confidential communications about your health information by alternative means or alternative locations. You must inform the ORRCC Plan that you are requesting confidential communication to avoid endangerment to yourself. You must make your request in writing and you must state that the information could endanger you if it is not communicated by the alternative means or to the alternative location requested. The ORRCC Plan will make every effort to accommodate the request if it is reasonable, specifies the alternative means or location, and continues to permit us to collect premiums and pay claims under your health plan.

Right to Notice of a Breach. If there is a breach of your unsecured protected health information that may have compromised the privacy or security of your PHI as defined by law, the ORRCC Plan or its business associates will notify you in accordance with federal and state requirements.

You have the right to request and receive this Notice in paper at any time, even if you have previously received this Notice or have agreed to receive the Notice electronically. To obtain a paper copy, please contact the Privacy Official at the address below.

QUESTIONS AND COMPLAINTS

If you want more information concerning UCOR's privacy practices or have questions or concerns, please contact the Privacy Official at (865) 576-9206.

If you are concerned that the ORRCC Plan has violated your privacy rights, you may also complain to us using the contact information above. You may also submit a written complaint to the U.S. Department of Health and Human Services. The address to file a complaint with the U.S. Department of Health and Human Services will be provided upon request.

The ORRCC Plan supports your right to protect the privacy of your health information. There will be no retaliation in any way for any exercise of your privacy rights, or if you choose to file a complaint with us or with the U.S. Department of Health and Human Services.

No Surprises Act Notice

Your Rights and Protections Against Surprise Medical Bills

When you get emergency care or are treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from balance billing. In these cases, you shouldn't be charged more than your plan's copayments, coinsurance and/or deductible.

What is "balance billing" (sometimes called "surprise billing")?

When you see a doctor or other health care provider, you may owe certain out-of-pocket costs, like a copayment, coinsurance, or deductible. You may have additional costs or have to pay the entire bill if you see a provider or visit a health care facility that isn't in your health plan's network.

"Out-of-network" means providers and facilities that haven't signed a contract with your health plan to provide services. Out-of-network providers may be allowed to bill you for the difference between what your plan pays and the full amount charged for a service. This is called "**balance billing**." This amount is likely more than in-network costs for the same service and might not count toward your plan's deductible or annual out-of-pocket limit.

"Surprise billing" is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider. Surprise medical bills could cost thousands of dollars depending on the procedure or service.

You're protected from balance billing for:

Emergency services

If you have an emergency medical condition and get emergency services from an out-of-network provider or facility, the most they can bill you is your plan's in-network cost-sharing amount (such as copayments, coinsurance, and deductibles). You **can't** be balance billed for these emergency services. This includes services you may get after you're in stable condition, unless you give written consent and give up your protections not to be balanced billed for these post-stabilization services.

Certain services at an in-network hospital or ambulatory surgical center

When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers can bill you is your plan's in-network cost-sharing amount. This applies to emergency medicine, anesthesia,

pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services. These providers **can't** balance bill you and may **not** ask you to give up your protections not to be balance billed.

If you get other types of services at these in-network facilities, out-of-network providers **can't** balance bill you, unless you give written consent and give up your protections.

You're never required to give up your protections from balance billing. You also aren't required to get out-of-network care. You can choose a provider or facility in your plan's network.

When balance billing isn't allowed, you also have these protections:

- You're only responsible for paying your share of the cost (like the copayments, coinsurance, and deductible that you would pay if the provider or facility was in-network). Your health plan will pay any additional costs to out-of-network providers and facilities directly.
- Generally, your health plan must:
  - Cover emergency services without requiring you to get approval for services in advance (also known as "prior authorization").
  - Cover emergency services by out-of-network providers.
  - Base what you owe the provider or facility (cost-sharing) on what it would pay an in-network provider or facility and show that amount in your explanation of benefits.
  - Count any amount you pay for emergency services or out-of-network services toward your in-network deductible and out-of-pocket limit.

If you think you've been wrongly billed, contact U.S. Department of Health and Human Services. The federal phone number for information and complaints is: 1-800-985-3059. Visit No Surprises Act | CMS for more information about your rights under federal law.
