Preferred Formulary Changes

This list is subject to change throughout the year.

Please call us at the Member Service number listed on your Member ID card or visit [bcbst.com/preferredrx](https://www.bcbst.com/preferredrx) for the most up-to-date information.

Every year, we review our formularies to determine changes based on a drug's effectiveness, safety, and affordability. While many changes to our formularies occur at the beginning of the year, formulary changes may occur at any time when:

- › New drugs are released after FDA approval
- › The FDA removes drugs from the market
- › New generic drugs are introduced
