

# Get a Better Look at Your Health

Taking a personal health assessment (PHA) can give you a good look at your overall health.

Your PHA can show you what you're already doing right, how you can make improvements and what your potential risks are.

When you're done, you'll get a personalized report with your results. And when you're ready to take the next step, you can sync your preferred fitness devices to track your progress as you work on your goals.

To get started, log in to your account at [bcbst.com/yourhealth](https://bcbst.com/yourhealth). If you haven't taken your PHA yet, we'll ask you to do so.

## Don't Have a BCBST.com Account Yet?

If you don't have an account yet, you'll need to create one before you take your PHA. After you've taken your PHA, you can use your account to keep track of your claims, look up your benefits and much more.

- › Go to [bcbst.com](https://bcbst.com) and click **Register an Account**.
