2027 Annual Benefits Enrollment Guide

2027 ANNUAL BENEFITS ENROLLMENT

ORRCC POST-AGE 65 RETIREE

This guide includes benefits information for Post-Age 65 retirees with a Pre-Age 65 spouse. Post-Age 65 retirees receive health benefits through the ORRCC Retiree Healthcare Exchange (ORRCC RHE) through UnitedHealthcare (UHC) and life insurance through the 2027 ORRCC Health and Welfare Benefit Plan. Pre-Age 65 retirees receive medical, dental, vision and life benefits through the ORRCC Health and Welfare Benefit Plan.

Post-Age 65 Retirees

Your enrollment packet includes the required legal notices for the 2027 ORRCC Health and Welfare Benefit Plan, under which you may have retiree life insurance. You will continue to purchase your post-age 65 retiree health benefits through the ORRCC Retiree Healthcare Exchange through UHC. For questions or information, contact UHC at **1-866-868-0605**.

In 2027, the Retiree Reimbursement Arrangement stipend amount will increase to $240 per month (or $2,880 annually). As a reminder, UCOR uses an Auto Premium Reimbursement for the Retirement Reimbursement Arrangement.

An eligible retiree must be enrolled in ORRCC Retiree Healthcare Exchange coverage in order for an eligible spouse to enroll in Pre-Age 65 Retiree medical coverage or Post-Age 65 Retiree medical coverage in the ORRCC Retiree Healthcare Exchange program. This does not apply to a surviving spouse.

Pre-Age 65 Spouses

Each year during our Annual Benefits Enrollment period, you have the opportunity to review your Health and Welfare benefit choices, consider your needs and choose benefits coverage for the next year. The information you and your family members need to make informed decisions about your 2027 Annual Benefits Enrollment is available in this guide and online at **https://ucor.com/benefits-center/**.

2027 Annual Benefits Enrollment Dates for Pre-Age 65 spouses: October 26 – November 6, 2026

You can enroll at **MyGroupBenefits-UCOR-ORRCC.com** or call the UCOR-ORRCC Benefits Service Center at **1-800-451-8964.**

Be sure to read the enrollment instructions included with this guide. A statement of your current benefit coverages was provided to you in advance of the 2027 enrollment period.

Pre-Age 65 Spouses

ENROLLMENT ACTION

If you are satisfied with the medical plan you have now, you are not required to take action during the 2027 Annual Benefits Enrollment period. If you do not take action, you will be automatically enrolled in the medical plan you have today with coverage through Blue Cross Blue Shield of Tennessee (BCBST) at the 2027 premium rates. Your dental, vision and life insurance benefits will remain the same.

However, enrollment action is required if you want to change your life benefit coverage or coverage levels for 2027.

MAKING CHANGES DURING THE YEAR

Your retiree benefit premiums are paid on an after-tax basis which means you have greater flexibility to adjust your benefits during the plan year. As an eligible Pre-Age 65 retiree, you are not locked into your Annual Enrollment elections for the full year. You have the flexibility to enroll, make changes, drop coverage, or re-enroll in the plan at any time during retirement, subject to plan eligibility requirements. Benefit changes typically take effect on the first day of the month following your request. While you can make changes at any time, reporting Qualifying Life Events (QLE) like marriage, divorce, or changes in dependent eligibility helps ensure accurate coverage and billing.

To initiate a qualifying life event change, visit Empyrean at **MyGroupBenefits-UCOR-ORRCC.com** or call the UCOR-ORRCC Benefits Service Center at **1-800-451-8964** from 8:00 AM to 5:00 PM EST, Monday through Friday.

WHAT'S NEW FOR 2027?

MEDICAL PLAN

Pre-Age 65 Spouses
For 2027, there will be a separate in-network prescription drug deductible, and all in-network retail and mail order costs will be subject to copays after the deductible, rather than coinsurance.

Also new for 2027 – any prescriptions filled for a 90-day supply or via mail order will be covered at 2.5 times the 30-day supply copay, down from 3 times the cost in 2026. The plan's prescription drug formulary will remain the same, but we recommend reviewing the list regularly to ensure there are no changes related to the prescriptions you use; the 2027 formulary is expected to be released in late 2026. For details on which medications are covered, please go to **https://ucor.com/benefits-center** or http://www.bcbst.com/preferredrx.

Remember, your costs for medical care through the PPO Plan will be lower if you use an in-network provider. ***There will be an increase to your monthly PPO premiums for 2027.***

The 2027 monthly premiums are on page 6.

Post-Age 65 Retirees

As a reminder, UCOR uses an Auto Premium Reimbursement for the Retirement Reimbursement Arrangement.

BCBST will send you a $75 digital gift card ─ up to four times a year. Points are on a calendar year basis and do not roll over from year to year. To get started, you'll need to complete the Personal Health Assessment first, which will earn 250 points. The Personal Health Assessment must be completed online via the website or app; it cannot be filled in and sent to BCBST.

Get started by logging in to your online account at **my.bcbst.com/login** or register for one if you haven't done that yet. From there, select the My Health dropdown to view your wellness rewards, do your health assessment and see what health programs are covered by your plan. The BCBSTN app makes it easier than ever to get the health information you need, when you need it. Through the app you can chat live with your BCBST care team, view your plan details in one place, see and share your digital ID card, find providers near you, check the drug formulary and make virtual doctor appointments.

Oak Ridge Reservation Cleanup Contract Health and Welfare Benefit Plan and Oak Ridge Reservation Cleanup Contract Retiree Medical Benefit Plan

2027 Annual Benefits Enrollment

Important Notice to Participants about Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage under the medical benefit options sponsored by the Oak Ridge Reservation Cleanup Contract Health and Welfare Benefit Plan and the Oak Ridge Reservation Cleanup Contract Retiree Medical Benefit Plan (the "Plans") and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. United Cleanup Oak Ridge LLC (UCOR) has determined that the prescription drug coverage under the group medical benefit options offered by the Plans for all eligible active employees is, on average, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

Oak Ridge Reservation Cleanup Contract Health and Welfare Benefit Plan and Oak Ridge Reservation Cleanup Contract Retiree Medical Benefit Plan

2027 Annual Benefits Enrollment

When Can You Join A Medicare Drug Plan?
You can join a Medicare drug plan when you first become eligible for Medicare and each year from Oct. 15 to Dec. 7. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?
If you are an active employee (or covered dependent of an active employee) who is entitled to Medicare:

- You should compare your current coverage under your Plan, including which drugs are covered, with the Medicare drug plans in your area.

- You may choose to enroll in a Medicare drug plan without impacting your prescription drug coverage under the Oak Ridge Reservation Cleanup Contract Health and Welfare Benefit Plan. Note, however, that Medicare drug plan will pay secondary (if at all) to the Plan. Therefore you may be paying a premium for coverage under the Medicare drug plan that you do not need.

- If you do decide to join a Medicare drug plan and drop the Plan prescription drug coverage that you may have, you and your dependents will be able to get the coverage back at a later date (such as by election during the next following annual enrollment) if you remain an active employee.

- Remember, also, that the Plan's prescription drug coverage is a part of the medical coverage under the Plan. If you drop prescription drug coverage under the Plan, you will also be dropping your medical coverage (and the medical and prescription drug coverage of your dependents, if any) under the Plan.

If you are a retiree (or covered dependent of a retiree) who is entitled to Medicare, your coverage under the Oak Ridge Reservation Cleanup Contract Retiree Medical Benefit Plan is intended to supplement your Medicare coverage. You should check to see whether your current Plan coverage already includes a Medicare drug plan. If your current Plan coverage does not include a Medicare drug plan, you can join a Medicare drug plan without impacting your current Plan coverage.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?
You should also know that if you drop or lose your current medical coverage with the Plans and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

Important Notice to Participants About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage under the medical benefit options sponsored by the Oak Ridge Reservation Cleanup Contract Retiree Medical Benefit Plan (the "Plan") and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are three important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. United Cleanup Oak Ridge LLC (UCOR) has determined that the Retiree Reimbursement Arrangement offered by the Plan should not be used in lieu of a creditable prescription drug plan. The Retiree Reimbursement Arrangement alone (without taking into consideration any individual medical coverage you are enrolled in) is not expected to pay out as much as standard Medicare prescription drug coverage pays. Therefore, using your Retiree Reimbursement Arrangement for prescription drugs by itself is not considered Creditable Coverage. (Note this notice does not apply to any individual medical coverage that you may enroll in under the exchange.) This is important because, most likely, you will get more help with your drug coverage if you join a Medicare drug plan than if you only depend on your Retiree Reimbursement Arrangement to cover your prescription drug needs. This is also important because it may mean that you pay a higher premium (a penalty) if you do not join a Medicare drug plan when you first become eligible.

3. You can use the funds in your Retiree Reimbursement Arrangement to cover your prescription drug needs but, due to a limited amount of funds in your Retiree Reimbursement Arrangement, your coverage under the Retiree Reimbursement Arrangement (without taking into consideration any individual medical coverage you are enrolled in) is non-creditable. This means you have decisions to make about Medicare prescription drug coverage that may affect how much you pay for that coverage, depending on if and when you join a drug plan. When you make your decision, you should compare your current coverage, including what drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area. This notice explains your options.

- You should compare your current coverage under the Retiree Reimbursement Arrangement in the Oak Ridge Reservation Cleanup Contract Retiree Medical Benefit Plan, including which drugs are covered, with the Medicare drug plans in your area.

You may choose to enroll in a Medicare drug plan independent of your Retiree Reimbursement Arrangement under the Oak Ridge Reservation Cleanup Contract Retiree Medical Benefit Plan.

If you are a retiree (or covered dependent of a retiree) who is entitled to Medicare, your coverage under the Retiree Reimbursement Arrangement in the Oak Ridge Reservation Cleanup Contract Retiree Medical Benefit Plan is not intended to supplement your Medicare coverage. The ORRCC Plan may disclose your PHI to the Plan Sponsor, UCOR, for purposes related to payment and health care operations, including Plan administration. The Plan Sponsor has amended the ORRCC Plan document to protect your health information so that the Plan Sponsor may solicit premium bids from health insurers or modify, amend or terminate the ORRCC Plan.

The following section discusses uses and disclosures that are permitted for the ORRCC Plan. The ORRCC Plan may not actually engage in many of these permitted activities.

Court or Administrative Order: PHI may be disclosed in response to a court or administrative order, subpoena, discovery request, or other lawful process, under certain circumstances. Under limited circumstances (i.e., court order, warrant, or grand jury subpoena), PHI may be disclosed to law enforcement officials. In addition, PHI may be disclosed to law enforcement officials concerning a suspect, fugitive, material witness, crime victim or missing person. PHI may be released to the extent necessary to avert a serious threat to your health or safety or to the health or safety of others. PHI may be disclosed when necessary to assist law enforcement officials to capture an individual who has admitted to participation in a crime or has escaped from lawful custody.

Military Authorities: PHI of Armed Forces personnel and veterans may be disclosed to Military authorities and the Veterans Administration under certain circumstances. PHI may also be disclosed to authorized federal officials as required for lawful intelligence, counterintelligence, and other national security activities.

Workers' Compensation: The ORRCC Plan may release your PHI to the extent necessary to comply with laws related to workers' compensation or similar programs.

Authorizations

You may provide written authorization to use your health information or to disclose it to anyone for any purpose. You may revoke this authorization in writing at any time, but this revocation will not affect any use or disclosure permitted by your authorization while it was in effect. Unless you give written authorization, we cannot use or disclose your health information for any reason except those described in this notice. You may not, however, cancel your authorization if it was obtained as a condition for obtaining insurance coverage and if your cancellation will interfere with the insurer's right to contest your claims for benefits under this insurance policy. The ORRCC Plan may condition your enrollment or eligibility for benefits on your signing an authorization, but only if the authorization is limited to disclosing information necessary for underwriting or risk rating determinations needed for the ORRCC Plan to obtain insurance coverage.

In some circumstances, we may assume that your immediate family member who is involved in your health care has your permission to receive protected health information regarding your health care, payment for, or claims regarding your health care. When we deem it in your best interest, we may thus disclose protected health information to your immediate family member for purposes directly related to his or her involvement in your health care. If you do not wish us to disclose any information to your immediate family member, you should notify the Privacy Official at (865) 576-9206 and submit a Request for Restriction on Disclosure of Protected Health Information.

The ORRCC Plan will not perform any marketing of other products or sell your health information without your authorization.

Individual Rights

Access Right. You have the right to review copies of health information maintained by the ORRCC Plan or one of its business associates in its designated record sets, with limited exceptions. A designated record set refers to a group of records that includes enrollment, payment, claims adjudication and care or health management record systems maintained by or for the ORRCC Plan. You have the right to request either paper or electronic format. We are permitted to assess a reasonable cost-based charge for such request. If you have questions about the fee, you may use the information at the end of this Notice to contact us. We will provide you with an estimate of the cost if you want prior to fulfilling the request. In general, the ORRCC Plan maintains limited health information on you and your covered dependents. Our business associates that administer or insure our group health care plan generally have more health information.

You must make your request to obtain access to your designated record set in writing. You may obtain the form to request access by using the contact information at the end of this Notice or you may send us a letter to the address located at the end of this Notice requesting access.

Additionally, under certain limited circumstances, your request to inspect or obtain a copy of your health information may be denied. If we deny your request, we will notify you in writing and may provide you the option to have the denial reviewed.

Amendment Right. You have the right to request that the ORRCC Plan amend your health information. Your request must be in writing and it must explain why the information should be amended. The ORRCC Plan may deny your request if the health information you seek to amend is complete and accurate, if it was not created by the ORRCC Plan or for certain other

reasons. If your request is denied, the ORRCC Plan will provide a written explanation of the denial. You may respond with a statement of disagreement to be appended to the information you wanted amended. If the ORRCC Plan accepts your request to amend the information, the ORRCC Plan will make reasonable efforts to inform others, including the people you name, of the amendment and to include the changes in any future disclosures of that information.

Right of Accounting of Disclosures. You have the right to receive an accounting of the disclosures of your health information by the ORRCC Plan. This accounting will list each disclosure that was made of your health information for any reason other than treatment, payment, health care operations and certain other specified activities (for example disclosed to you or pursuant to your authorization). If you request an accounting more than once in a 12-month period, there may be a reasonable cost-based charge for responding to these additional requests. No Surprises Act Notice

Your Rights and Protections Against Surprise Medical Bills

When you get emergency care or are treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from balance billing. In these cases, you shouldn't be charged more than your plan's copayments, coinsurance and/or deductible.

What is "balance billing" (sometimes called "surprise billing")?

When you see a doctor or other health care provider, you may owe certain out-of-pocket costs, like a copayment, coinsurance, or deductible. You may have additional costs or have to pay the entire bill if you see a provider or visit a health care facility that isn't in your health plan's network.

"Out-of-network" means providers and facilities that haven't signed a contract with your health plan to provide services. Out-of-network providers may be allowed to bill you for the difference between what your plan pays and the full amount charged for a service. This is called "**balance billing**." This amount is likely more than in-network costs for the same service and might not count toward your plan's deductible or annual out-of-pocket limit.

"Surprise billing" is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider. Surprise medical bills could cost thousands of dollars depending on the procedure or service.

You're protected from balance billing for:

Emergency services

If you have an emergency medical condition and get emergency services from an out-of-network provider or facility, the most they can bill you is your plan's in-network cost-sharing amount (such as copayments, coinsurance, and deductibles). You **can't** be balance billed for these emergency services. This includes services you may get after you're in stable condition, unless you give written consent and give up your protections not to be balanced billed for these post-stabilization services.

Certain services at an in-network hospital or ambulatory surgical center

When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers can bill you is your plan's in-network cost-sharing amount. This applies to emergency medicine, anesthesia,

pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services. These providers **can't** balance bill you and may **not** ask you to give up your protections not to be balance billed.

If you get other types of services at these in-network facilities, out-of-network providers **can't** balance bill you, unless you give written consent and give up your protections.

You're never required to give up your protections from balance billing. You also aren't required to get out-of-network care. You can choose a provider or facility in your plan's network.

When balance billing isn't allowed, you also have these protections:

- You're only responsible for paying your share of the cost (like the copayments, coinsurance, and deductible that you would pay if the provider or facility was in-network). Your health plan will pay any additional costs to out-of-network providers and facilities directly.
- Generally, your health plan must:
  - Cover emergency services without requiring you to get approval for services in advance (also known as "prior authorization").
  - Cover emergency services by out-of-network providers.
  - Base what you owe the provider or facility (cost-sharing) on what it would pay an in-network provider or facility and show that amount in your explanation of benefits.
  - Count any amount you pay for emergency services or out-of-network services toward your in-network deductible and out-of-pocket limit.

If you think you've been wrongly billed, contact U.S. Department of Health and Human Services. The federal phone number for information and complaints is: 1-800-985-3059. Visit No Surprises Act | CMS for more information about your rights under federal law.

SUMMARY ANNUAL REPORT
FOR
OAK RIDGE RESERVATION CLEANUP CONTRACT HEALTH AND WELFARE BENEFIT PLAN

This is a summary of the annual report of the Oak Ridge Reservation Cleanup Contract Health and Welfare Benefit Plan (Employer Identification Number 85-2867528, Plan Number 510) for the plan year 1/1/2025 through 12/31/2025. The annual report has been filed with the Employee Benefits Security Administration, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

UCOR LLC has committed itself to pay certain health flexible spending account claims incurred under the terms of the plan.

Insurance Information

The plan has insurance contracts with BlueCross BlueShield of Tennessee, Inc., Vision Service Plan, Securian Life Insurance Company, Cigna Health and Life Insurance Company and Affiliates and Unum Life Insurance Company of America to pay certain health, prescription drug, vision, life insurance, accidental death and dismemberment, dental and long-term disability claims incurred under the terms of the plan. The total premiums paid for the plan year ending 12/31/2025 were $6,106,418.

Because BlueCross BlueShield of Tennessee, Inc. is a so-called "experience-rated" contract, the premium costs are affected by, among other things, the number and size of claims. Of the total insurance premiums paid for the plan year ending 12/31/2025, the premiums paid under the "experience-rated" contract were $3,475,937 and the total of all benefit claims paid under this experience-rated contract during the plan year was $2,681,528.
